### **I've received my Account Activation notice, what is my next step?**

Once you have received your Account Activation notice, you can begin setting up your Doteasy hosting account.

#### **1. Account Setup Instructions:**

Your account setup instructions are available in your Doteasy Member Zone.

The Member Zone login panel is located at <https://member.doteasy.com>

#### **2. Setting up Email:**

You will need to login to your Webmail Admin account to setup your email services and user accounts.

Use the Webmail login panel on our homepage, [www.doteasy.com](http://www.doteasy.com).

Email Address = MemberID@YourDomain.com

Password

#### **3. Setting up your Website:**

If your web files are ready, you can begin uploading them to your server. You can use FTP, Dreamweaver, Contribute, Fetch, or FrontPage to upload your files.
