

Doteasy KB

What is the Doteasy Hosted Forum?

The Doteasy Hosted Forum is a free hosted application that allows you to create an interactive community on your website without the hassle of database or scripting requirements.

You can access the Doteasy Hosted Forum under the "Web Apps" section in Member Zone. If you're logging into your Master Account, you will need to click on the domain name first before you can see this section.

For more details on the Doteasy Hosted Forum, please visit <http://www.oneclickforum.com/tutorial.html>
