How do I remove the Doteasy email trailer?

Doteasy trailer message are appended to outbound emails if you are sending them via:

Doteasy Webmail A POP mail client configured with Doteasy's SMTP settings (ie. mail.yourdomain.com)

If you are currently subscribed to the Unlimited Hosting, Doteasy MailPro, or Doteasy Email Protection System services, we can remove the email trailer message for you. Please contact us for details.
