How to delete photos

To remove a photo from an album, log in to your Gallery admin panel and,

1. Click on the "Album" tab in the top toolbar.
2. Select the album to which you wish to remove the photo(s).
3. Click on "Remove Photos". This will open the "Remove Photos" window.
4. Check the box next to the photo you wish to remove.
5. When ready, click on the "Delete Selected Photos on this page" button.
