### **How do I enable permalinks?**

Permalink is on a per-album basis. By default, permalinks are not displayed.

To change display the permalink for an album, log into your Gallery admin panel and:

1. Click on the "Album" tab in the top toolbar.
2. Select the album to which you wish to change the permalink settings.
3. Click on "Album Setting". This will open the "Album Setting" window.
4. Click on the "Advanced Album Settings" tab.
5. Check the "Display Album Permalink" box.
6. When ready, click on "Save".
