

## **Doteasy KB**

### **Modify "Account Statistics" Options**

Your Gallery provides you with gallery statistics and album statistics to help you keep track of the number of hits as well as the number of published albums and photos on your Gallery and individual albums.

You will find your gallery statistics on the Gallery admin panel and the Gallery Dashboard.

Your album statistics are displayed on your album page.

To edit your statistics settings, log into your Gallery admin panel and,

1. Click on the "Gallery Statistics: Edit Content" button. This will open the "Edit Gallery Statistics Settings" window.
2. You can edit your Gallery Statistics settings under the "Photo Gallery Statistics" tab.
3. You can edit your Album Statistics settings under the "Album Statistics" tab.
4. When ready, click on the "Save" button.
