How do I hide EXIF data on my album page(s)?

Gallery gives you the option to display your photo EXIF data. The display of EXIF data is on a per-album basis and is enabled by default.

To disable the display of EXIF data on your album, log into your Gallery admin panel and,

1. Click on the "Album" tab in the top toolbar.
2. Select the album to which you wish to hide the photo EXIF data.
3. Click on the "Edit Content" button on the Photo Setting toolbar at the bottom of the photo preview panel. This will open the "Edit Album Photos Settings" window.
4. Uncheck the "Display EXIF data" box.
5. When ready, click on "Save"
