Doteasy KB

What email features are included?

The Basic Hosting Plan gives you a total of 100MB email storage space. You can have up to 10 email accounts, provided that the total email storage usage does not exceed 100MB.
You can distribute the 100MB email storage quota anyway you want amongst users giving you maximum control and flexibility.
All Basic Hosting email accounts come with Web/POP mail accessibility, auto-responder and mail forwarding capabilities. In addition, you also get 10 email aliases.
